St Julian's cluster is a successful cluster and each pupil plays a huge part in making it so. Every child has a fundamental right to be educated, (**UNCRC Article 28 - The Right to an Education**) to flourish personally and to achieve their very best academic results, these are secured with high levels of attendance and punctuality.

The St Julian's Cluster Attendance Policy has been agreed by all schools and Governing Bodies within the cluster.

St Julian's Clusters shared aims:

- Offer a safe and friendly environment which welcomes children regardless of race, gender or ability
- raise standards and ensure all pupils reach their full potential, through a high level of school attendance and punctuality
- ensure all stakeholders receive communication about information on the importance of regular school attendance
- identify those pupils with irregular attendance at an early stage and work with partner agencies to try and address any barriers that stop pupils from attending school regularly
- keep accurate and up to date attendance data
- ensure all pupils are safe, and for the school to follow the local authority's 'Children Missing Education' guidance
- reward those pupils who have made significant progress in raising attendance levels

This policy is supported by the All Wales Attendance Framework -Belonging, engaging and participating, Guidance on improving learner engagement and attendance (October 2023)

It is also supported by the Newport Council Attendance Policy (2020/21)

St Julian's Clusters shared principles:

- Every child has a fundamental right to be educated, to flourish personally and to achieve their very best academic results, these are secure with high levels of attendance.
- By law all children of compulsory age must receive a proper full-time education.
- All stakeholders and teachers have a duty to ensure maximum attendance at school.
- Our cluster expects every pupil and Parent/Carer to aim for 100% attendance and excellent levels of punctuality in each academic term and year.
- There is a clear link between academic achievement and excellent attendance and punctuality.

St Julian's Clusters shared objectives:

- To identify and challenge patterns of persistent non-attendance and provide relevant support to make necessary improvement.
- To reduce the percentage of unauthorised absences.
- To provide an effective and sustainable system for the monitoring of attendance.
- To recognise and reward high levels of attendance and punctuality and improvement in attendance every term.

Legal Framework

The law outlining attendance is:

The Education Act 1996 which places a legal obligation on:

- the local authority to provide and enforce attendance;
- school to register attendance and notify the local authority of a child's absence.

Section 7 of the above act states that:

'The parent of every child of compulsory school age shall cause him/her to receive efficient, full time education suitable to his/her age, aptitude and ability and to any special educational needs he/she may have either by regular attendance at school or otherwise'.

Section 444 further states that:

'The parent of a child of compulsory school age registered at school and failing to attend regularly is guilty of an offence punishable in law'.

The Education (Penalty Notice) Wales Regulations 2013:

This legislation came into force in September 2014 and has given Local Authorities powers to issue fixed penalty notices (FPN). A code of conduct has been agreed by Newport City Council on the issuing of the FPN which includes the following criteria:

- Minimum of 10 unauthorised absences in a twelve-week rolling term which do not have to be consecutive.
- Attendance below 92%
- Minimum of 10 sessions of lateness after the close of registration. Registration closes half an hour after the start of the school day.
- Parents/carers who choose to take their children out of school to go on holiday during term time without authorisation from the Head teacher, rolling from one school year to the next.

The Head teacher will inform the parent by letter that the school may request a fixed penalty notice for unauthorised absence. If an FPN is requested, the Education Welfare Service Manager (EWS) for the Local Authority will review the case with the school, considering levels of absence, level of parental engagement, any equality implications, history of attendance and also any statement of special educational needs.

A fixed penalty notice warning may be issued and a period of 15 days will be monitored for an immediate improvement. A warning may not be issued in respect of an unauthorised holiday in term time.

A penalty notice is £60 if paid within 28 days in receipt of the notice, increasing to £120 if not paid within 28 days. If not received by 42 days then the local authority can prosecute parents for the child's absence.

Decisions regarding the issuing of FPN's are at the discretion of the headteacher.

Authorised and unauthorised absence

Where a pupil is of compulsory school age, the register must show whether any absence was authorised by the school or unauthorised.

Authorised absence

Authorised absence is where the school has either given approval in advance for the pupil to be absent from school, or where an explanation offered afterwards has been accepted by the school as satisfactory justification for absence. Only schools, and not parents or carers, can authorise an absence, and schools must consider whether the reason for absence is reasonable.

Unauthorised absence

An absence is deemed authorised when the school accepts that there is good reason for the absence and communication from the parent or carer has been received. In line with absence codes below.

- Action a referral to EWS for the following reasons:
 - On-going concerns.
 - No response or poor response from the parent.
 - Parent fails to fully engage.
 - School must continue to keep the EWO regularly update with all absence concerns.

Medical Appointments:

All schools will code absences 'M' as medical if sufficient evidence has been provided by the parent/carer. Our cluster reserves the right to trust what our parent/carers tell us, but for extended medical absence or if there is any doubt about absence then an appointment card or letter will be requested

Entertainment Licences:

Schools will only consider granting leave of absence for pupils who are in possession of an up to date Entertainment / Performance License.

Religious Celebrations:

Parents have a right to withdraw their children from school in order for them to take part in acts of religious worship. The days when this occurs are known to the school and pupils will not be disadvantaged in their education by attendance at such worship.

Transition Process

As we are all aware it is difficult at times to deal with change. We as a cluster appreciate that pupils find it hard to cope with the transition from year groups and also from primary to secondary school. Our schools ensure that we have all staff involved in this process and taster days for all pupils are set. The schools will work closely with our cluster to identify pupils who have attendance issues so we can put strategies in place before they arrive at St Julian's. This cluster approach to attendance will help improve attendance and transition for both pupils and parents/carers.

Leave of absence in term time

The Education (pupil Registration) (Wales) Regulations, make clear that Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances. If the leave is granted, Head Teachers should determine the number of school days a child can be away from school.

Leave of absence will be considered by the Headteacher/attendance lead and the Governing Body. For the leave of absence to be authorised, all of the following criteria must be met:

- The child is of statutory school age (5 years and above)
- The child's average level of attendance across the rolling 12 months prior to the date of requested leave is 96% or above
- The child is always punctual to school

- The child's attendance record for the current academic year shows no
- unexplained or unauthorised absences
- The requested leave does not fall within the assessment/examination period for
- the year group

Holiday requests

The St Julian's Cluster takes a consistent and standard response and does not authorise any holiday in term-time; indeed, FPNs may be/are issued if a highly significant number of days are taken for holiday.

In accordance with Newport local authority guidance, absence due to family holidays will be considered by each school in the cluster on an individual basis.

Extended holidays

Any pupil, whose family decides to take them away from school over a 20 day period, will be eligible to be taken off role and will need to reapply for their place within the cluster through Newport's admission process and will not be automatically given a place at the school.

Child Missing Education (CME)

- If the child fails to return to school on the agreed date, the school must act and consider following the Child Missing in Education process.
- When a child's absence is unexplained, schools will contact the parents on the first day of absence and endeavour to continue to make contact throughout the day until they can speak with the parent/carer.
- If the absence remains unexplained, the school must take steps to establish the child's safety and whereabouts.
- All reasonable enquires with emergency contacts, friends in school and neighbours should be made before a CME referral to the Local Authority is completed.
- The CME referral should be made to the Local Authority after enquiries have proved unsuccessful.
- If a child moves out of the Newport City Council Authority, not attending school and school are unable to locate the child / family, a CME referral to the Local Authority must be actioned.

Admissions and deletions from school roll:

- Schools are required to inform the Local Authority in every circumstance when they are about to delete a pupil's name from the admissions register.
- This would include informing the Local Authority of the pupil's name, address, parents' name(s), parents' email address and contact telephone numbers, expected new destination and proposed new school name / Local Authority, within 5 days of the pupils leaving their school.
- Elective Home education (more information can be located via this NCC Website link. [Elective home education | Newport City Council](#))

Re-integration

The school has arrangements to reintegrate pupils who have been absent for extended periods. In such cases, each pupil will be treated individually, and arrangements will be made that are most appropriate to the individual's circumstances. All reintegration plans are formalised by the designated school leader for attendance and welfare in conjunction with supporting staff.

Persistent Absenteeism

Welsh Government have amended the statistical definition of persistent absence to over 10% of sessions.

Punctuality - How do we manage Lateness?

The school day starts at **8.30 am** and we expect your child to be in and on site at 8.25 am at the latest. This allows them to be in class on time and ready to learn.

AM

Registers are marked by **8.35am** and your child will receive a late mark if they are not in by that time.

At **9:00am** the registers will be closed. In accordance with the regulations, if a student arrives after that time they will receive a mark that shows them to be on site, but this will count as an unauthorised absence

PM

Period 4 is the afternoon registration and this and the am tutorial are the marks that count towards the student's late record

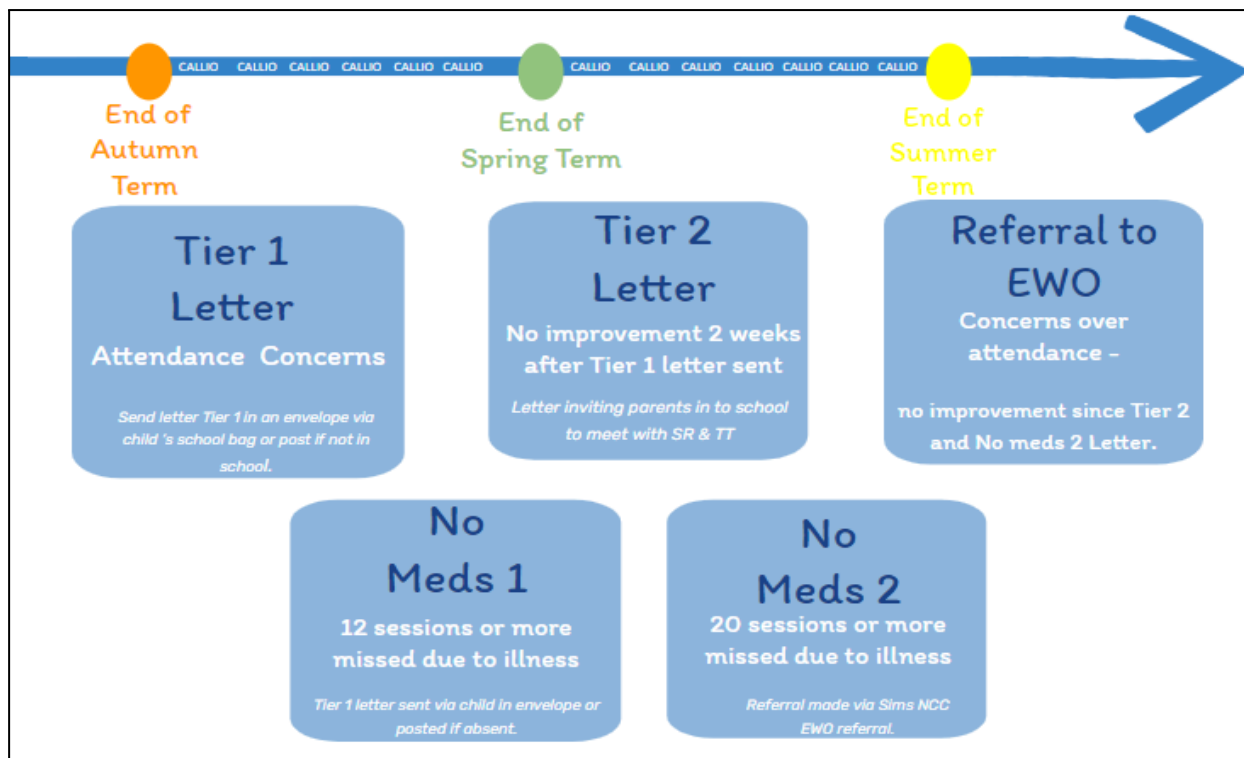

A persistent late record will result in a meeting to outline a plan of action to resolve the issue, but you can approach the school at any time if you are experiencing problems getting your child to school on time.

Those parents of pupils who are persistently late will be contacted by the class teacher/form tutor/Head of Department/Progress Leader/Senior Management team.

All pupils who are late will be set a yellow card detention automatically. This is a 20 minute after school detention. Persistent lateness will be followed up by the form tutor/Progress Leader/attendance officer.

Punctuality

The school recognises the importance of a prompt start to each day so that children are in school ready to begin their lessons at the start of each day. See start times for each school.

Parents are asked to bring children to the school office when they arrive late and are verbally asked for an explanation of the lateness. If children arrive after the register closes at 9.30am this is recorded as a 'late absence'.

Parents of children who are late arriving at school on a regular basis will be contacted by letter and informed that the situation is being closely monitored. Continued lateness is then dealt with in the same way as absence.
